DISCUSSION QUESTIONS

1. What did you think about James' table of manuscript evidence? Did you know how the Bible stacks up against other works of antiquity?
2. What were some of your questions concerning the topic for the morning going into the sermon? Have you wrestled with the trustworthiness of the Bible before?
3. Was there anything presented that helped answer some of your questions or help you think differently about them?
4. Were you compelled by the call to honestly engage with the Bible?
5. What are some ways that your faith has been bolstered in the past by wrestling with God through the Scriptures? How has he revealed himself to you in those moments?
6. Digging Deeper: We'd encourage your group to read our reading plan through John and to dialogue about things that stood out to you from this week's section.
