## DISCUSSION QUESTIONS

1. Who is someone that comes to mind when you think of the word "generous?" In what ways would you say they are "blessed"?
2. In your current season, what is your relationship like with time? (Is it moving fast or moving slow, does your time feel busy or feel bored, etc.)
3. What makes it difficult to be generous with our time? What makes us selfish with our time?
4. Read Psalm 90:12 together. How could "numbering our days" help us to use our time wisely?
5. Mike talked about the idea that love takes time. How have you seen that in your own life?
6. What is one area of your life where God might be calling you to be more generous with your time?
