DISCUSSION QUESTIONS

1. What is the first memory that you can remember?
2. Do you have any examples of memories either making you grateful for the past or giving you hopefulness about the future?
3. How is the "remembering" that the Bible describes different than the way we "remember" a grocery list?
4. Why is it sometimes difficult to remember the resurrection is not just a historical event (though it is!), but is a present reality?
5. What is going on in your life where you need the hope of Jesus' resurrection today?
6. What is one tangible way that you could "drag the past into the present" and remember the hope of Easter?
