1. What has your experience been with discussing the topic of anxiety?
2. What stands out to you about this definition of peace: A state of tranquility/wholeness.
3. Why is it so significant that peace is not necessarily the absence of anxiety or the things that cause it?
4. What do we learn from Jesus' first words to his disciples being "peace be with you." What does it teach us about his mission?
5. What is an area of your life where you need some of the peace that Jesus offers?
6. How could each of those three steps (be open, be observant, be objective) move us toward the peace Jesus came to bring?
