## Galations 5:16-26

### DISCUSSION QUESTIONS

1. What do you think of when you hear the words "faith" and "faithfulness"?
2. How is "embodied trust" different than intellectual belief?
3. What are some examples of "embodied trust"?
4. What is the connection between Jesus' faithfulness to us and our faithfulness to him?
5. In the illustration of Harry Colcord, many people said they believed he could go across with someone on his back, but they weren't willing to get on his back and go across. When we think of the Christian faith, what makes it so difficult to go from believing Jesus has what it takes to actually "getting on his back"?
6. When you think about the example Thérèse of Lisieux and the "Little Way," what has God put in front of you that he is calling you to be faithful to today?
